*Cornerstone Baptist Church is opening their facilities to us free of charge. It would be nice to give a monetary donation to the church for the use of their facilities. If your agency can donate please let me know.

*Any agency which would like to offer a free give away at their booth please let me know what you are offering so we can place this information in the paper. This could help draw in the public. I am working on gathering a few items to give away as door prizes also.

*Sponsorships available:

- Lunch: We are wanting to offer a free lunch of hot dogs, chips, and a canned drink to the public attending the fair. If your agency would like to help with covering the cost of food please notify me.
- Children's Activity: We are wanting to offer a couple of activities for the preschool children who may attend with their parents or care givers. This may be a face painting booth or a quick and easy art activity. If your agency is interested in covering the cost of a children's activity please notify me.

*Volunteers Needed:

- Volunteers are needed for any children's activities offered and for serving the lunch. If you know of any volunteers such as through a service club in the area please notify me with your ideas and contact info.

******Set up time: Day of the Information Fair set up time will begin at 9:30 am. All booth locations will be marked for the participating agencies.**
