Assistance in Everyday Living

*Senior Home Care Services
from a provider you trust*

Mosaic, and legacy organizations Bethphage and Martin Luther Homes, have been providing services to clients for nearly 100 years. Now, Mosaic expands to create Mosaic Life Assistance Solutions, designed to provide a range of services and supports for seniors wishing to stay at home. Provided by trained and caring staff, these services are offered to support seniors when family members or friends aren't always able or available to help.

This is not assisted living. These are supports given to seniors who may no longer be able to perform all of the tasks around the house they once did, but who are not in need of medical assistance or constant care to be able to stay at home.

As you, or a loved one age, tasks like changing the light bulb in the ceiling fan, reaching items on the top shelf of the kitchen cabinet, or even getting the garbage out to the curb on garbage day may not be as easy as they once were. *This is where Mosaic Life Assistance Solutions is designed to help.*

Services offered may include:

- Light housecleaning
- Meal preparation
- Companionship
- Assist with laundry and ironing
- Change linens/Make beds
- Drop off and pick up dry cleaning
- Pick up prescriptions
- Organize and clean closets
- Assist with basic pet care
- Shop for groceries and supplies
- Escort to appointments
- Accompany to lunch or dinner
- Escort for shopping and errands
- Attend plays and concerts
- Escort to religious services
- Attend meetings/events

The reasons vary as to why Mosaic Life Assistance Solutions would be the right choice for your situation. But in every case, it is done with one purpose in mind ... to provide in-home services that enrich the lives of seniors and helps them maintain the highest possible level of independence. And that pledge of service shows every hour in the commitment and dedication of our caring and highly-trained staff.
