## **RecycleBank and Mosaic Reward Partnership**

OMAHA, Neb.-- Mosaic has partnered with RecycleBank, a program that dramatically increases household recycling rates across the country by rewarding families and individuals with RecycleBank Points for the amount they recycle every day. RecycleBank members can now redeem their Points for real dollar donations to Mosaic.

Members of the RecycleBank program can earn Points by curbside recycling and recycling electronic-waste. In the curbside program, the RecycleBank cart will be weighed each week upon pick-up. The weight will then be translated to RecycleBank Points.

For every one pound of recycled materials, a participant will earn 2.5 RecycleBank Points. Households can earn up to 450 RecycleBank Points per month for recycling or up to a total of 5,400 Points per year from recycling.

If you are a member of this program, we encourage you to use your Points to support Mosaic. If you would like to see if your community is involved in this recycling program, contact your local municipality. Find out more about RecycleBank or need instructions on how to activate and use your Points for donations to Mosaic, go to [www.RecycleBank.com](http://www.RecycleBank.com) or call 888-727-2978.
