

March is National Intellectual and Developmental Disabilities Awareness Month. Please consider using the following petitions in your prayers at worship during the weekends in March.

**March 1**

For people who have disabilities, that they may know wholeness of life through our work to support them and advocate for them, and for Mosaic, our ELCA ministry to people with disabilities ...

**March 8**

That legislators locally and nationally will make wise and just decisions, upholding the dignity of people with disabilities, ...

**March 15**

For the women and men who work for Mosaic, our ELCA ministry to people with disabilities, and all other agencies that minister to people with disabilities, that governments will enact fair wage and funding laws to provide them with a livable income, ...

**March 22**

That all Christians will realize their vocation of service to one another, including the call to serve people with disabilities and to help them feel welcome in the Church and the community, ...

**March 29**

For the families of people with intellectual and developmental disabilities, that our Church and others will recognize their unique needs and find ways to support them and their loved ones, ...
