

Home is a place
where you lay your head at night,
where friends and family are welcome,
a place where you're proud to live.

Each year, the work of Mosaic
touches the lives of thousands of people.
The *Adopt-A-Home* program
is your opportunity to help.

The program engages community
groups, congregations and individuals
in year-round activities that
help residents of the adopted *home*
enjoy a safe environment
and realize wholeness of life.

No matter if the people Mosaic supports
call an eight-person group *home* or
a one-bedroom apartment their *home*...

that *home* is where they need your
help.

Adopt-A-Home

a program of  **MOSAIC**
Opening Doors to Extraordinary Lives

You can make an impact by:

Fostering friendships through sharing time and mutual interests of people living in the home. Everyone seeks friendships with unconditional love, where there is a spirit of equality and respect for differences. These relationships enrich people's lives and allow them to grow spiritually. The need for love and friendship is a human need all people share.

Promoting safety in the home through helping with maintenance and home improvement projects. Making a house a Mosaic home takes great care. The public funding that Mosaic receives does not normally cover items that provide a warm, caring environment, such as linens, artwork and furniture. Government funds do not cover upkeep of the homes, such as patching the floors and walls that show wear from wheelchairs.

Uniting communities through engaging various groups in meeting the tangible and intangible needs of people with disabilities. In order to fulfill its mission, Mosaic continuously builds and cultivates partnerships with churches and community groups. Become a part of Mosaic's ministry by adopting a Mosaic home in your community.

Adopt a Mosaic home and enjoy these benefits:

- Diversify and expand outreach into your community
- Impact the lives of people with disabilities
- Engage people of all ages
- Volunteer with family and friends.
