

EVERYDAY HERO.

The word 'HERO' is rendered in large, white, sans-serif capital letters against an orange background. Each letter contains a small illustration of a different everyday hero scenario: 'H' shows a caregiver assisting an elderly person in a chair; 'E' shows two people wearing face masks, one pushing a shopping cart; 'R' shows a caregiver assisting a person in a wheelchair; 'O' shows two people sitting on a couch, one reading a book. The background features a pattern of small orange dots.
