

Every gift made to Mosaic supports the needs, goals and dreams of the people we serve.

Support the mission of Mosaic every time you shop with AmazonSmile!

What is AmazonSmile?

AmazonSmile provides the same online shopping experience as Amazon, but as an added bonus, Amazon will donate 0.5% of every eligible purchase to Mosaic at no additional cost to you!

How do I sign up?

[Click here](#) or visit smile.amazon.com and select **Mosaic (Omaha, NE)** as your designated charity. *If you already have an Amazon account, you can use your existing account; there is no need to create a new account.*

Once you've selected Mosaic as your charity of choice, a portion of every purchase you make through smile.amazon.com will be donated to support Mosaic's mission: Embracing God's call, Mosaic relentlessly pursues opportunities that empower people.

Can I receive a tax deduction for amounts donated from my purchases on AmazonSmile?

No; because donations are made by the AmazonSmile Foundation, they are not tax-deductible by you.
